## Welcome To CCUCC

Our mission is to welcome all into a loving, progressive faith community, knowing our actions reflect our Christian values: to question and explore beliefs and assumptions. to strive for peace and justice, and to care actively for the earth, our community, and one another.

# The Core Values of Progressive Christianity

By calling ourselves progressive Christians, we mean we are Christians who...

1. Believe that following the way and teaching of Jesus can lead to experiencing sacredness, wholeness, and unity of all life, even as we recognize that the Spirit moves in beneficial ways in many faith traditions.

2. Seek community that is inclusive of all people, honoring differences in theological perspective, age, race, sexual orientation, gender identity/expression, class, or ability.

Strive for peace and justice among all people, knowing that behaving 3. with compassion and selfless love towards one another is the fullest expression of what we believe.

4. Embrace the insights of contemporary science and strive to protect the Earth and ensure its integrity and sustainability.

Commit to a path of life-long learning, believing there is more value in 5. questioning than in absolutes.

We acknowledge that we stand on land stolen from Native and Indigenous people. We are on Nimíipuu land and we recognize that they were the first people here.

We acknowledge that we benefit from the prosperity of the United States, which was built on the labor of enslaved people.
